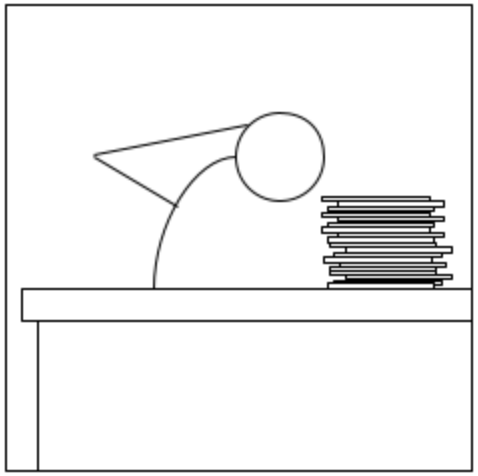
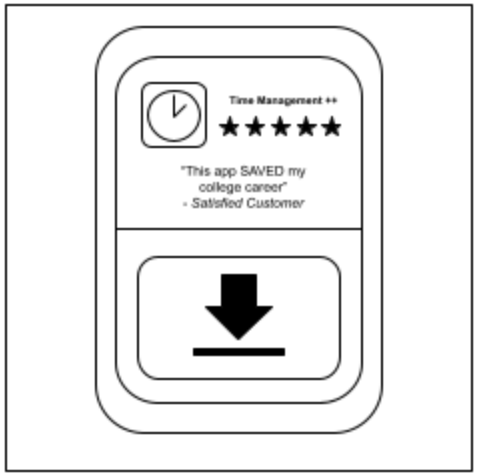
Persona: Struggling honors college student, Kyle

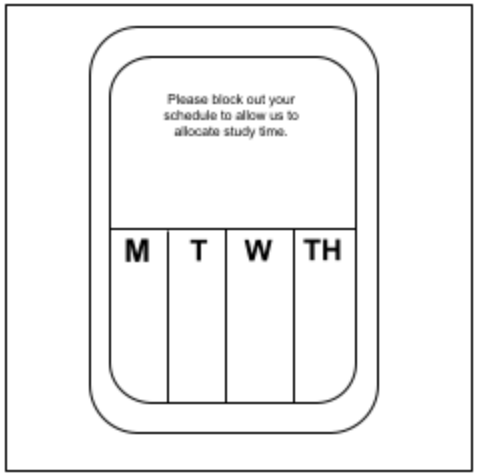
Scene 1: Kyle feels overwhelmed by college.



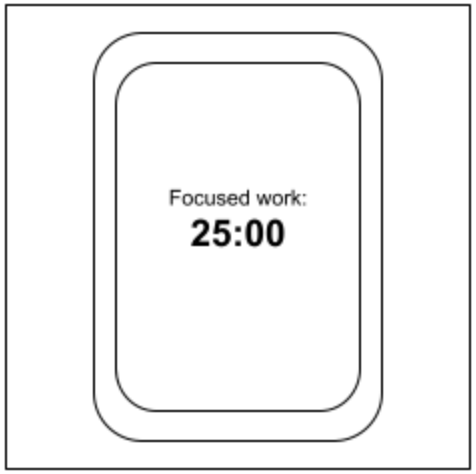
Scene 2: Kyle downloads our time management app.



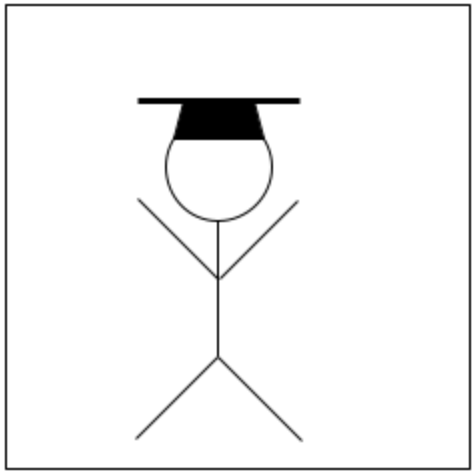
Scene 3: Kyle inputs his schedule and sets notifications for study time.

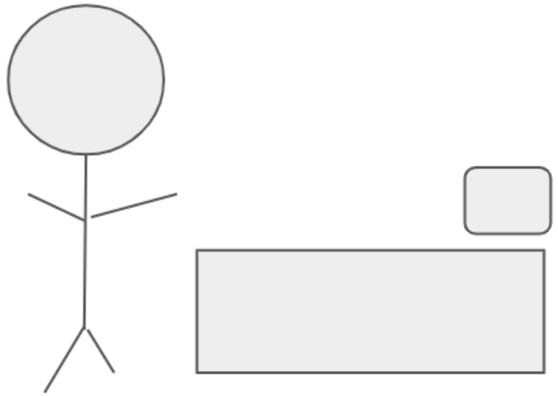


Scene 4: During study time, Kyle uses the app's built-in Pomodoro timer to maximize productivity.

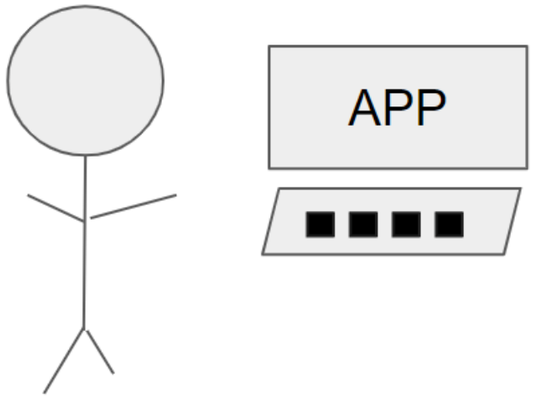


Scene 5: Kyle is satisfied by his newfound time management capabilities.



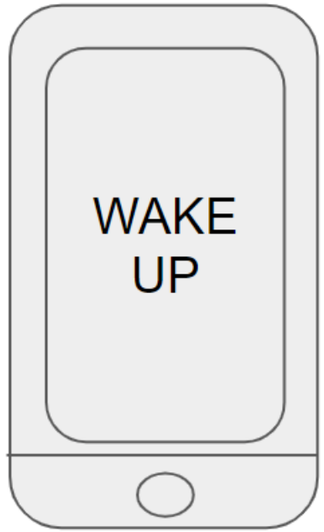


Dave has been stressed out lately and has not received a chance of getting a full night's rest. He does not want this to continue



He browses for an app that could perhaps help him get back his sleep. To his surprise he does.

Dave manages the app to fit his schedule.



Dave sets up the schedule as he is notified to wake up.

The app makes suggestions on how to stay mentally healthy.

Daves health improves over time.

I am finally home after a long night of late classes

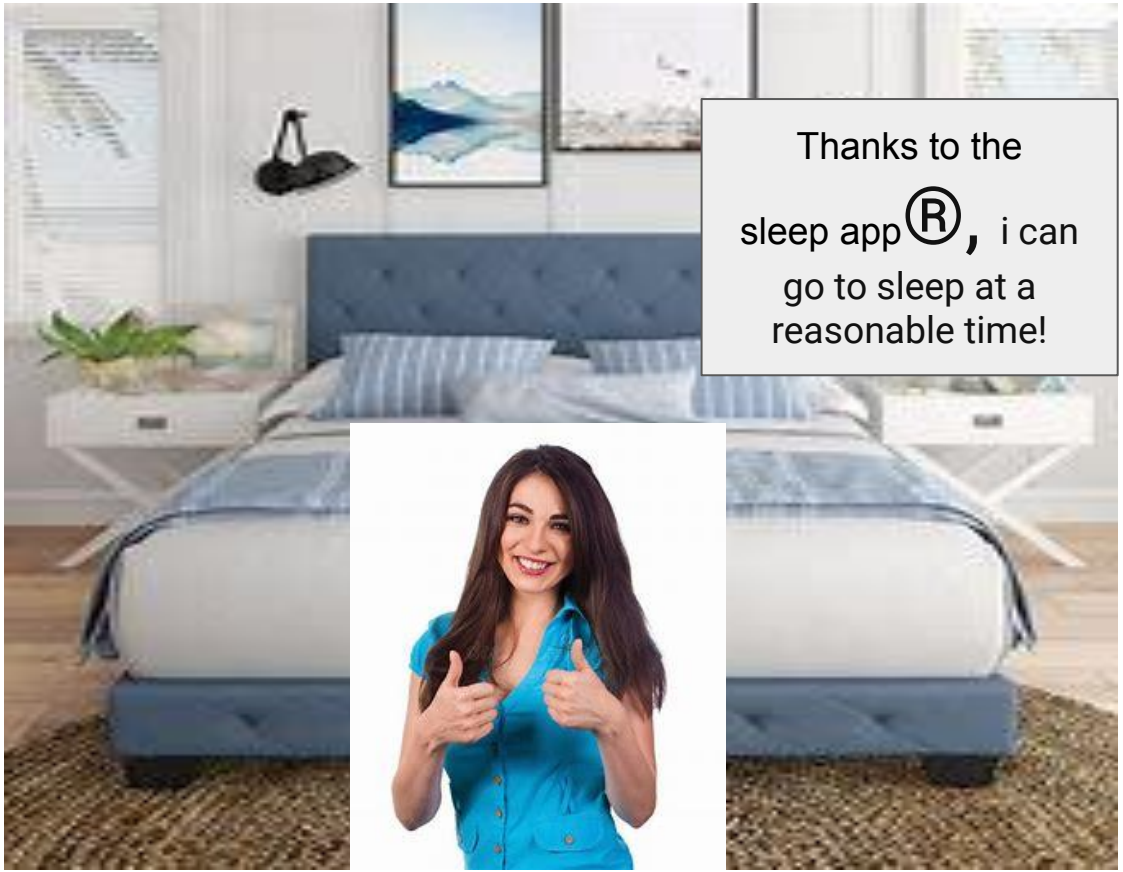
now
its 5 minutes till 11:00
its about time to go to sleep. open the app
to set your background noise and relax.
TikTok



Thanks to the
sleep app®, i can
go to sleep at a
reasonable time!
